## Clerkship Site Locations & Directors:

### Mount Sinai Hospital

**Name of Site Director:** Katherine Chen, MD  
[katherine.chen@mssm.edu](mailto:katherine.chen@mssm.edu)  
Tele: 212-241-8629

### **Mission Statement:**

A sub-internship serves as an experience which helps prepare students for residency by allowing them to function with increased responsibility compared to third year clerkship rotation.

### **Goals of Clerkship:**

- To function effectively as an intern on an inpatient Ob-Gyn subspecialty team
- To have increased exposure to a career in Ob-Gyn

### **Objectives of Clerkship:**

By the end of the sub-internship students will be able to:

- Take primary responsibility for the patient
