

Grants and Contracts Office (GCO) and InfoEd Communications

The GCO has compiled the list below to inform you of the communications that the GCO and the InfoEd system send out and how to receive them.

1. GCO Forwards All Notices of Award (NOAs) to Departmental Centralized Contacts

NOAs the GCO receives from a funding agency the GCO forwards to the Principal Investigator (PI) and all departmental staff on [GCO's Listing of Centralized Pre-Award Contacts Within Mount Sinai's Departments](#).

In addition, if there are other centralized contacts (e.g., post award financial analysts, other administrative managers), the GCO also maintains a list and includes those persons as well when forwarding NOAs.

Please send updates to allison.gottlieb@mssm.edu.

2. InfoEd Communications (e.g., GCO Receipt, Missing FCOI, Missing IRB/IACUC application to respective office)

InfoEd communications are automatically sent to these groups:

- [InfoEd Departmental Approver List](#). See 3. below for more information.
- PI
- PI's Delegate. See 4. below for additional information.

3. InfoEd Departmental Approvers

In addition to approving InfoEd applications for their department, persons on the [InfoEd Departmental Approver List](#) automatically receive InfoEd generated communications (e.g., GCO Receipt, Missing FCOI, Missing IRB/IACUC application to respective office).
