

Mount Sinai Health System Values

Who we are: the core beliefs that guide our behaviors

Safety

We protect our patients and our colleagues from harm.

Equity

We create a diverse and inclusive environment for our patients, students, and colleagues, free from bias, racism, and favoritism, to foster optimal care and just opportunities based on one's individual needs and abilities.

Agility

We are flexible and quick to adapt to changes.

Creativity

We identify and develop forward-thinking approaches to challenge conventions, solve problems, and push the boundaries of medicine.

Empathy

We demonstrate a deep understanding of our colleagues, our patients, and their loved ones through inclusion, compassion, respect, and caring.

Teamwork

We are better together by including the diverse perspectives of each team member to achieve outcomes far superior to those any individual could achieve alone.
